

PHOTON CONTROL INC. STANDARD TERMS AND CONDITIONS OF PURCHASE

As of June 3, 2021

The standard terms and conditions of purchase below are included with every purchase order. However in some circumstances due to the nature of the goods/services, supplemental terms and conditions of purchase have to be developed. The buyers will assist you in assessing the need for supplemental terms and conditions of purchase.

1. Goods and Services.

The goods and services described in this Purchase Order (the "PO") are provided by Supplier subject to the following terms and conditions. Supplier agrees to be bound by and to comply with all such conditions. Other terms and conditions are not binding upon "Photon Control Inc.", unless accepted in writing.

2. Purchase Price and Terms of Payment.

All payments are made in Canadian funds or as otherwise specified. All prices shown in this PO are firm and are not subject to adjustment.

3. Quality and Regulatory Compliance.

Supplier shall be in compliance with "Photon Control Inc.'s" quality and regulatory requirements including adhering to Photon Control Inc.'s Copy Exactly! Policy and supplying Products hereunder in compliance with "Photon Control Inc.'s" specifications and qualification on Supplier's first article. Any changes by Supplier including changes to raw materials, processes, manufacturing and working environment, etc. are prohibited unless separate written approval is provided by "Photon Control Inc."

Supplier's Products shall meet regulatory and compliance requirements including EU-directive RoHS (2011/65/EU), EU-regulation REACH (EC 1907/2006), conflict free minerals, and TSCA (Toxic Substances Control Act) and any updates to these requirements.

By accepting "Photon Control Inc.'s" PO, Supplier acknowledges and agrees that any breach of these quality and regulatory requirements constitutes a material breach of this Agreement for which "Photon Control Inc." shall be entitled to seek all available remedies under this PO and at law.

4. Method of Shipment or Packing.

Goods are packaged in a manner which assures that they are protected against deterioration and contamination. All goods are delivered to the F.O.B. point specified in the PO. Title and risks remain with Supplier until delivery.

5. Inspection and Rejection.

The goods and services furnished are exactly as specified in the PO. They are free from all defects in design, workmanship and materials. The goods and services are subject to inspection and test by "Photon Control Inc." at any time and place. If the goods and services furnished are found to be defective, "Photon Control Inc." may reject them, or require Supplier to correct or replace them without charge, or require a reduction in price which is equitable under the circumstances. If Supplier is unable or refuses to correct or replace such items within a time deemed reasonable by "Photon Control Inc.", "Photon Control Inc." may terminate this PO in whole or in part. Supplier bears all risks

as to rejected goods and services. Supplier reimburses “Photon Control Inc.” for all transportation costs, other related costs incurred, and overpayments in respect of the neglected goods and services.

6. Changes.

“Photon Control Inc.” may make changes to this PO including to drawings and specifications for specially manufactured goods, place of delivery, by giving notice to Supplier. If such changes affect the cost of or the time required for performance of this PO, an equitable adjustment in the price or date of delivery or both will be made. No change by Supplier is allowed without written approval of “Photon Control Inc.” Any claim of Supplier for an adjustment under this Article must be made in writing within thirty (30) days from the date of receipt by Supplier of notification of such change. Nothing in this Article excuses Supplier from delivering the goods and services described in this PO.

7. Maintenance and Operation.

The Supplier supplies to “Photon Control Inc.” instructions for installation, operation, maintenance and repair of the goods.

8. Warranty.

Supplier warrants to “Photon Control Inc.” that goods supplied under this PO are free from defects in material, workmanship and design, suitable for the purposes intended implied, in compliance with all applicable specifications and free from liens or encumbrance on title. All services are performed in accordance with current, sound and generally accepted industry practices by qualified personnel trained and experienced in the appropriate fields.

9. Confidentiality.

In the performance of the services, the Supplier and its subcontractors, if any, may have access to confidential information (hereinafter referred to as the “Confidential Information”) which “Photon Control Inc.” must protect from disclosure pursuant to the Act respecting access to documents held by Public Bodies and the protection of personal information R.S.Q. c. A-2.1. The supplier undertakes to hold all of the Confidential Information it receives in strict confidence and neither to disclose or release in any manner such Confidential Information to any third party nor to use such Confidential Information for any other purpose than the one for which “Photon Control Inc.” has disclosed same; to disclose Confidential Information only to those of its employees or agents who need to know such Confidential Information for the said purpose. The Supplier warrants that such employees or subcontractors are obligated to and will hold Confidential Information in strict confidence and to take all reasonable measures to ensure that confidentiality is respected. The Supplier shall indemnify and hold harmless Photon Control, its officers, directors and employees from and against any and all liabilities, claims, suits, demands, disputes, recourses, damages and expenses including, without limitation, any recourses before the “Access to information request,” including reasonable legal fees arising from any and all claims in respect of, or resulting from, the use or the disclosure of Confidential Information by the Supplier, its employees or sub-contractors.

10. Indemnification.

Except for damages caused by the negligence of “Photon Control Inc.” Supplier shall defend, indemnify and hold “Photon Control Inc.” harmless from all claims, actions, demands, loss and cases of action arising from injury, including death, to any person, or damage to any property, when such injury or damage results in whole or in part from the acts or omissions of Supplier.

11. Insurance.

Supplier and any subcontractor used by Supplier in connection with this PO must carry Comprehensive General Liability and adequate Comprehensive Liability Insurance. At “Photon Control Inc.” request, Supplier must provide to “Photon Control Inc.” certificates from Supplier’s insurers showing that such coverage is in effect and agreeing to give Photon Control thirty (30) days’ prior notice of cancellation of the coverage. “Photon Control Inc.” may require minimum liability coverage depending on circumstances.

12. Assignment.

This PO is assignable by “Photon Control Inc.”. This PO may not be assigned by Supplier without written approval of Photon Control. In case such consent is given, Supplier remains liable as if no such transfer has been made. The PO must be confirmed within 48 business hours (Two Business days).

13. Default.

A party is in default of its obligations under this PO if any of the following events occur, namely: Such party is adjudged bankrupt or insolvent by a court of competent jurisdiction, or otherwise becomes insolvent, as evidenced by its inability to pay its debts generally as and when they become due; or such party is in default of its obligations hereunder and fails to cure such default within thirty days of written notice from the other party, or if such default cannot be cured within thirty days, within such longer period as may be reasonable, provided the defaulting party commences promptly and diligently proceeds with curing the default. Upon the occurrence of any of the above events, the party not in default may, by written notice to the defaulting party, terminate this PO without prejudice to any other right or remedy available to it at law and without liability for such termination. Neither the Supplier nor “Photon Control Inc.” shall be liable to the other for indirect damages, for loss of profit or for damages arising from loss of use or production.

14. Termination.

This PO may be terminated or suspended by “Photon Control Inc.” in whole or in part. “Photon Control Inc.” then delivers to the Supplier a written notice specifying the extent to which performance and/or the deliveries of goods and services under this PO is terminated and/or suspended and the date upon which such action shall become effective. In the event of such action, “Photon Control Inc.” shall pay Supplier for the goods and services satisfactorily provided to the effective date of termination or suspension. In this case, Supplier may submit a proposal to “Photon Control Inc.” for equitable increase in the prices to account for costs of demobilization and direct termination expenses. The termination of this PO shall discharge any further obligations of either party.

15. Force Majeure.

Supplier shall not be liable for default or delay due to causes beyond Supplier’s reasonable control and without fault or negligence on the part of Supplier. The Supplier gives “Photon Control Inc.” prompt notice in writing when any such cause appears likely to delay deliveries and/or performances of services and takes appropriate action to avoid or minimize such delay. If any such default or delay threatens to impair Supplier’s ability to meet delivery requirements for its material, supplies and services, “Photon Control Inc.” shall have the right, without any liability to Supplier, to cancel the portion or portions of this PO so affected. “Photon Control Inc.” shall not be liable for default or delay in the performance of its obligations due to cause beyond its reasonable control.

16. Governing Law.

This PO shall be governed by the laws of the Province of British Columbia Canada.
